JEWELBOX

BLOCK ARCADE

---

Like a glimpse into the jewel box of a truly elegant woman, our collection this year includes styles from high Victorian splendour through to the chic Art Deco era.

We are particularly proud to present our suffragette jewels which are very difficult to find, potent with meaning, extremely attractive to those who appreciate Art Nouveau, & display the prettiest colour combinations possible!

We hope that with each turn of a page this years' collection fills you with sincere joy, & the desire to possess a beautiful piece of history you can enjoy now & forever.

We look forward to hearing from you,

Mary-Lou, Louise, Monica, Sue & Steven.
